Quick Study

Learning to Live After the Battle

Joshua 22

04/22/2018

Main Point

Loving, obeying, and serving God must be the ultimate priority in life.

Introduction

As your group time begins, use this section to introduce the topic of discussion.

Other than work and sleep, what do you spend most of your time doing?

Including both your immediate family and extended family, how many of them are Christians?

In-depth Discussion

Pastor Aaron talked about how one person's obedience and disobedience has impact on other people, have you seen this happened in your own experience?

Have you ever "suffered" or "paid" for other people's mistakes? If yes, what happened and how did you respond?

Have other people ever been affected by your mistakes or disobedience to God?

Based on what you know about God and His commandments, what are some of the most difficult things for you to obey?

If you could change one thing in your life today that can help leave a legacy of faith, what would that be?

Be as specific as your feel comfortable sharing, is there any sin that you would like to repent of?

Anyone(s) in mind that you wish he/she would become a Christian? Have your Life Group pray specifically for that person(s).
