Maywood Summer Camp 2023

August 7th – 11th

"Who are You? – Identity in Christ (A Study in the Book of Colossians)"

"If then you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God. Set your minds on things that are above, not on things that are on earth. For you have died, and your life is hidden with Christ in God. When Christ who is your life appears, then you also will appear with him in glory." – Colossians 3:1-4

Spiritual Emphasis:

Often, we are faced with answering the question, "Who are you?". Culture says your identity is your job, how much money you make, how you compare to others, and so on. This year at Summer Camp, we will focus in on what God says about the identity He gives us as we study the book of Colossians.

As always, our ultimate goal is to challenge and lead all students who attend into a deeper relationship with Jesus Christ using God's Word and other Christ-centered tools. Please pray with us that some will meet their Savior for the first time, while others grow in their love for and dedication to Christ. We are incredibly excited to be a part of God's work in your child's life during this week of Summer Camp!
